### Thorntons Employment Law Academy

The Employment Law Academy is a series of half day training workshops for HR professionals, business owners and managers.

Each workshop will tackle a key employment topic, and provide skills needed to manage your employees regardless of the size and scale of your workforce.

As well as in depth training by our employment law specialists, each attendee will also receive a complete pack of the workshop papers for future reference.

Details and dates coming soon!

**There is a charge for each Employment Academy workshop. Discounts are available to multiple bookings.**
